The Department of Health in association with the HSC Leadership Centre invite you to the next webinar focusing on the Integrated Care System (ICS NI).

How can ICS NI ensure it is listening and learning from people and communities?

This will be relevant to anyone working in health and social care, in local councils and community planning, the voluntary and community sector and to personal and public involvement groups and the general public.

During this session we will have contributions from:

Martina Moore – Programme Director ICS NI
Strategic, Planning & Performance Group
DoH

Dan Wellings (Senior Fellow) and Clair Thorstensen-Woll
(Researcher) – The Kings Fund

Ann Murray - Service user/carer, Member of the
IHRD - Duty of Candour and Being Open Workstream

Peter McBride - Author of the Evaluation Report on Co-
production in the IHRD Implementation Programme
